Dear Friend,

On Sunday, August 26, Lexington Conservatory Theatre will hold its third annual GALA FESTIVAL. Those who have previously attended know it is a day of enormous satisfaction. The best of entertainment, dining and company are combined in one glorious event. It is the celebration of the summer season! It provides us with an opportunity to say "thank you" for a job well done.

The GALA has come to be LCT's biggest fund raising event. It is the community's way of showing our love and support for our unique theatre company. This year that will be of special significance.

As friends and supporters of LCT, we think you should be aware of some hard-core data. It is a fact that in the past years the vast majority of LCT personnel (including management, actors and staff) have voluntarily donated their entire salaries back to LCT to meet the operational costs. This year alone there is a \$14,000.00 deficit which must be met.

The cost of mounting six main stage productions within twelve weeks is staggering. We are grateful that it has been done and want it to be done again. We want the members of LCT to know beyond any doubt how this community feels about them. Please support our position and help.

Attend the GALA, bring your friends and donate generously!
